

POCKLINGTON TOWN COUNCIL
MINUTES

Meeting of the Town Council
Meeting Room Old Courthouse George Street Pocklington
Wednesday 14th July 2010 at 7.00 pm

Present: Councillor Cooper (Chairman), Bryon, Dexter, Elliott, Held, Marron, Perry, Petrie, Scaife, Shepherd, Sykes and Wilkinson.

Before the council meeting the Rev. David Johnson led the council in prayers.

In attendance: Two members of the public and the clerk

1. Apologies for absence Cllr Blake-James (away) Cllr's Mole & West our district councillors (other commitments)

2. Declarations of Interest: Cllr Scaife declared a personal interest in matters relating to the car parking.

3. Consider the Arts Centre Managers report: Neither Janet Farmer nor James Duffy were able to attend the meeting but submitted their report. Additionally the gas contract at the Arts Centre was up for renewal which meant steep price increases. It was agreed an energy audit be carried out on the boilers to see if there was a business case for replacement with more energy saving equipment.

4. To confirm the minutes of the Town Council meeting held 9th June 2010
Cllr Petrie proposed the minutes be accepted as a true record. 2nd Cllr Shepherd and agreed.

5. To report any matters arising. Cllr Petrie asked that a letter be sent to ERYC asking for confirmation the roundabout at Hodson Lane was to go ahead. It was further requested one of our ward councillors be asked to make a presentation before the cabinet on 20th July for retention of the scheme. A letter to be sent to ERYC regarding receiving no response to our letters requesting block paving outside Pocklington library.

6. Consider a priority list for the coming year. A discussion took place and the following items were the priorities for the year:

1. Obtain Quality Status
2. Develop the plans for 1st floor of Oak House
3. Instigate the formation of a town plan

Other schemes to be worked upon include:

Broadmanor Playarea
Development of Primrose Wood
Formation of a Pocklington Youth Council
Continue to resist car parking charges
Continue with the 'In Bloom' initiative.

7. Receive a verbal report from our district councillors None were available

8. Receive an update on our quest for Quality Status. The clerk reported that a portfolio was required to be put together. Most qualifications had now been achieved and it was simply a matter of putting them together for submission.

9. Consider the arrangements for the forthcoming twinning visit. Councillors heard that an informal meeting of the twinning group had been held on 13th July when

accommodation for those attending had been arranged. It was agreed that the council would host a reception at the Council Office on Friday 20th August commencing at 6pm. This would consist of drinks and canapés. The council asked the informal twinning group for costings for the activities planned so they could consider their contribution.

10. Consider an update from the 'Councils Against Car Parking Charges' group. Cllr Marron reported that a meeting had been held in June involving councillors from Cottingham, Anlaby, Hessle. Willerby and Goole were also interested to become involved. The group awaits a reply from ERYC on the possibility of taking over the car parks from ERYC. Once received a further meeting will be held followed by perhaps a local referendum. Councillor Wilkinson proposed the council officially agree to be involved in this process. 2nd Cllr Shepherd and agreed. Cllr Scaife abstained.

11. Receive a report on the 102 Squadron Dinner. All those attending agreed the weekend had been successful. Cllr Petrie reminded everyone that the council had resolved to organise such re-unions until there were no original 102 squadron members able to attend. It would then be up to the relatives to take over any re-union.

12. To receive the financial statement of

(a) Pocklington Town Council and authorise payments: Cllr Bryon proposed the below payments be authorised. 2nd Cllr Held and agreed.

(b) Consider the bank statements and agree payments for Pocklington Arts Centre. Cllr Shepherd proposed the below payments be authorised. 2nd Cllr Bryon and agreed.
